General Description and Qualifications: King's Way Christian Schools, located in Vancouver, Washington, is a private, Christian school serving students from 12 months to the 12th grade. Our mission is to partner with families to provide a Christ-centered education for the whole child, leading to life change in each student.

We are currently seeking a MS Track Coach to join our Athletics Department. This position supports the core values of King's Way Christian Schools, and a successful candidate combines spiritual maturity, athletic knowledge, coaching skill and the ability to impact the lives of high school students. General duties include: practice and game coaching, supervision of athletes, scheduling of games, practices, and transportation, communication with parents, and budget management.

Job Duties:

- Responsible for establishing a positive, psychologically safe, and process oriented team culture
- Schedule, organize, conduct, and supervise all practices
- Organize and implement game strategies
- Develop the skill level of student athletes in your program
- Ongoing and regular communication with the Athletic Department, student athletes, and parents regarding the program vision, philosophy, tactics, and schedule
- In coordination with the Athletic Department, track and maintain all equipment and uniforms.
- Supervise student athletes before, during, and after practices and games
- Partner with the Athletic Department to provide an excellent and meaningful student athlete experience.
- Model Christian character in interactions with coaches, players, referees, parents, and the broader community.
- Other duties as assigned by the Athletic Director

Education, Experience, and Skills:

- High School Diploma or equivalent required; bachelor's degree or higher preferred;
- Commitment to the mission, vision and values of King's Way Christian Schools;
- 2 years of successful coaching experience preferred;
- Ability to establish and maintain positive partnerships with the parent community;
- Strong verbal and written communication skills;
- Commitment to develop and improve coaching knowledge and skills;
- Willingness to participate in the 3D coaching professional development program;
- The candidate selected is required to pass a background check
